REQUEST FOR EXPRESSIONS OF INTEREST (CONSULTING SERVICES – INDIVIDUAL (INTERNATIONAL))

KIRIBATI HEALTH SYSTEMS STRENGTHENING PROJECT- P176306- Kiribati Fiduciary Services Unit (KFSU), MFED, Kiribati

Assignment Title:	Technical Advisor for Review of Local and Overseas Referral Policies	Reference No. (as per Procurement Plan):	KI- MHMS-470154-CS-INDV
-------------------	--	--	-------------------------

The Government of Kiribati has received financing from the World Bank towards the cost of the (P176306)) Kiribati Health Systems Strengthening Project (KHSSP) – D988-KI and intends to apply part of the proceeds for consulting services.

The consulting services (“the Services”) include a Technical Advisor for Review of Local and Overseas Referral Policies to be based at the Ministry of Health and Medical Service (MHMS) in Kiribati.

The MHMS is undertaking significant initiatives to strengthen the health system, including through the establishment of a Health Sector Coordination Committee (HSCC) Working Group (WG) for Review of Referral Policies (WG4RRP). The WG4RRP has been tasked to support MHMS to plan and implement a review of MHMS referral policies, processes, and procedures to improve the efficiency and effectiveness of the referral system as earliest as practicable in 2025.

The purpose of the assignment is to support MHMS to plan and implement a review of MHMS referral policies, processes, and procedures to improve the efficiency and effectiveness of the referral system before the end of 2025 at the latest. This assignment will be conducted for up to three months, with approximately one week travel in-country per phase to support MHMS to undertake stakeholder consultation as part of each phase of the agreed work plan. The consultancy will comprise one work plan covering these two phases:

- ☐ Phase I: Review of local referral policy will take up to one month; and
- ☐ Phase II: Review of overseas referral policy will take up to two months.

The detailed Terms of Reference (TOR) for the assignment can be requested through electronic mail to troneti@mfep.gov.ki or barryrimatu@mhms.gov.ki

On behalf of KHSSP, KFSU now invites eligible individuals (“Consultants”) to indicate their interest in providing the Services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services by submission of a Cover letter or Expression of Interest (EOI); curriculum vitae with description of experience in similar assignments, similar conditions, etc. and with supporting documents. Firms’ staff may express interest through employing the firm for the assignment and, under such situation, only the experiences and qualifications of individuals shall be considered in the selection process.

The criteria for selecting the Consultant are:

- (a) Minimum mandatory requirements:
 - A master’s degree in health, public policy, business or a related field.
 - At least ten (10) years’ experience in economics and health policy design, implementation and review, including a sound understanding of the regional context.
 - Demonstrated knowledge and experience in the design and continuous improvement of referral policies, with a sound understanding of the Kiribati health system and context.

Continued on page 15

(b) Desirable requirements:Experience and technical expertise:

- Demonstrated experience in leading the design and implementation of evaluations for health systems, policies and processes, and procedures, including guidelines, business processes and templates / tools.
- Demonstrated experience in designing, costing, budgeting and implementing strategies to support health system strengthening through continuous improvement and value for money, with a focus on patient centered care.
- Prior involvement in telehealth projects or initiatives, demonstrating an understanding of the challenges and best practices related to remote healthcare delivery.

Strategic planning and prioritizing limited resources

- Demonstrated experience in planning and managing projects, including managing competing priorities, limited resources, deadlines, and stakeholder engagement.
- Experience in rapidly undertaking research and analysis to synthesize evidence-based and targeted solutions and options for continuous improvements for high-expenditure policies.

Communication and stakeholder engagement

- Excellent communication skills, both written and verbal, with the ability to present complex and sensitive information clearly and persuasively to a variety of audiences.
- Experience in working collaboratively with a range of stakeholders and beneficiaries, including senior public servants, healthcare providers and patients / the public.

Referees of the preferred candidate will be contacted to verify prior experience, performance, and character traits. Attention of interested Consultants is drawn to Section III, paragraphs, 3.14, 3.16, and 3.17 of the World Bank's "Procurement Regulations for IPF Borrowers" 6th Edition, February 2025 ("Procurement Regulations"), setting forth the World Bank's policy on conflict of interest.

Expressions of interest must be delivered by e-mail to Procurement Officer, KFSU-MFED troneti@mfep.gov.ki, and copied to KHSSP Project Manager barryrimatu@mhms.gov.ki, by **5pm Tarawa Kiribati Time on 29 March 2025**.

REQUEST FOR EXPRESSIONS OF INTEREST

Grant No. and Title: 0652/0653-KIR: SOUTH TARAUA WATER SUPPLY PROJECT

Assignment Title: Community Engagement Coordinator (NATIONAL) Reference No: STWSP/CSI-12

The South Tarawa Water Supply Project (STWSP) has an estimated total budget of approximately US\$92 million and will be co-financed by the Green Climate Fund (GCF), the Asian Development Bank (ADB), the World Bank (WB) Global Environment Facility (GEF) and Government of Kiribati (GoK). The main objective of the project is to provide all households in South Tarawa with access to a reliable, safe and climate resilient water supply.

The Government of Kiribati's Implementing Agency (IA) for STWSP is the Ministry of Infrastructure and Sustainable Energy (MISE) and Public Utilities Board. MISE's Project Management Unit (PMU) will be the core unit responsible for the overall implementation of the STWSP.

MISE's PMU is seeking a qualified individual consultant for the PMU **Community Engagement Coordinator** role. The initial assignment duration for this consulting role is 440 days inputs over a two- year period, with the possibility to extend subject to satisfactory performance. The implementation phase of the STWSP is expected to complete in 2029.

Terms of Reference

The scope of work and the Terms of Reference is available at: <https://www.mise.gov.ki/index.php/vacancies>

Minimum Qualification Requirements

The Community Engagement Coordinator **MUST** have a minimum of bachelor's degree qualification in communication, public relations, social development or similar disciplines with at least 3 years relevant experience in implementation, administration and monitoring of projects funded by ADB and World Bank in areas of water and sanitation, preferably in engagement with the public members.

Details of minimum qualification and eligibility requirements are listed in Terms of Reference.

The attention of interested consultants (including those referred by firms) is drawn to the ADB's Project Administration Instructions No. 2.01 (PAI No.2.01) especially Clause E (Conflict of Interest) and Clause M (Eligibility). In general, current employees of the Ministry of Finance and Economic Development (the Executing Agency), Ministry of Infrastructure and Sustainable Energy (the Implementing Agency) and Public Utilities Board (PUB) are ineligible to apply.

Continued on page 19

How To Apply:

Applications should include:

1. Signed letter of application (maximum 3 no. A4 pages) addressing all minimum qualification requirements and summarising experience relevant to the Community Engagement Coordinator role as set out in the ToR.
2. Curriculum Vitae (CV) - standard ADB format preferred.
3. Signed declaration that the applicant is not a current employee of the Ministry of Finance and Economic Development, Ministry of Infrastructure and Sustainable Energy or the Public Utilities Board.

There are two options for submitting applications for this role:

1. ADB's Consultant Management System (CMS)
To submit an application via ADB's CMS, applicants will first need to register using the following link: https://selfservice.adb.org/OA_HTML/adb/adbpos/jsp/ADBCMSHomepage.jsp
If you have any difficulty with registering via CMS, this page also includes links to tutorials (<https://www.adb.org/documents/using-consultant-management-system-cms-quick-reference-guides-individuals-firms>) or you can seek help via email cmshelp@adb.org
